

83262330	DATA SHEET	
Valid from: 28.03.2024	Core marking PT-V+	

User-friendly system for wire marking.
 Unique shape provides secure twist protection.
 The range also includes a practical and easy-to-handle box.
 Flexibility of material provides wide coverage area.

Material:

Body Flexible PVC

Technical features:

Temperature range -20°C up to 90+°C

Additional features:

Tensile strength at break: 20 MPa
 Ultimate elongation: 300 %
 Flame Resistant V0 UL94

Application:

This core marking is designed for a simple and effective marking installation when shorter text is needed.
 Pick your needed character and mount it on the cable.

Note: *Trade product, no Lapp product.
 Pictures are not to scale and do not represent detailed images of each product.
